

The Snoqualmie Valley Watershed Improvement District (SVWID) extends this invitation to bid on the “Remlinger Farms Culvert Replacement Project - 2022” to all qualified bidders. Sealed bids (range \$350,000 - \$400,000) must be mailed to the Snoqualmie Valley Watershed Improvement District at P.O. Box 1148 Carnation, WA 98014 or emailed to [andy@svwid.com](mailto:andy@svwid.com) and must be received by Tuesday, June 7, 2022. Hand-delivered bids will not be accepted. A Virtual Public Bid Opening will be held at approximately 2:00 P.M. on Tuesday, June 7, 2022 on Zoom: <https://us02web.zoom.us/j/8795810071?pwd=cHNhNWlFQTFuZFF4aWtOQytCZz09> (Meeting ID: 879 581 0071, Passcode: SVWID). Within 72 hours following the public bid opening, bids will be available for public review. Sealed Bids received after the specified “received by” date will not be accepted. All bidders must attend a mandatory, on-site, pre-bid meeting: 10:00 A.M. on Tuesday, May 31.

All Bid Items will be Lump Sum or Incidental to other Bid Items. Major bid items will include Structure Excavation Class A; Reveal, Offload, Movement, and Installation of two (2) Precast Concrete Box Culverts (heaviest pick weight approximately 40,000 lbs.); Utility Work; Temporary Stream Diversion and Groundwater Dewatering; Instream Large Wood Habitat Structure Installation; and other items in conformance with the 2020 WSDOT Standard Specifications, the Engineering Plans, and Specifications. Knowledge and experience with water pumps, bypass setup, and dewatering wells is critical. Knowledge of and respect for aquatic animal species removal and relocation is highly sought due to the high numbers of coho salmon in Langlois Creek. All aquatic animals will be removed by SVWID staff.

Free-of-charge access to project bid documents (plans, specifications, addenda, and Bidders List) is provided to Prime Bidders, Subcontractors, and Vendors by going to [www.bxwa.com](http://www.bxwa.com) and clicking on "Posted Projects", "Public Works", and "Snoqualmie Valley Watershed Improvement District". This online plan room provides Bidders with fully usable online documents with the ability to: download, view, print, order full/partial plan sets from numerous reprographic sources, and a free online digitizer/take-off tool. It is recommended that Bidders “Register” in order to receive automatic e-mail notification of future addenda and to place themselves on the “Self-Registered Bidders List”. Bidders that do not register will not be automatically notified of addenda and will need to periodically check the on-line plan room for addenda issued on this project. Contact Builders Exchange of Washington at (425) 258-1303 should you require assistance with access or registration. The content available through [bxwa.com](http://bxwa.com) is our property or the property of our licensors and is protected by copyright and other intellectual property laws. Access to project documents is intended for use by bidders (general contractors/prime bidders, subcontractors and suppliers), agency personnel and agency’s consultants, as well as for personal, noncommercial, use by the public. You may display or print the content available for these uses only. "Harvesting" (downloading, copying, and transmitting) of any project information and/or project documents for purposes of reselling and/or redistributing information by any other party is not allowed by BXWA.

Please contact Andy Obst, SVWID Program Manager, at [andy@svwid.com](mailto:andy@svwid.com) or (425) 549-0316 with any questions and for a map of the mandatory pre-bid meeting location. Thank you for your interest.
