### STATEMENT OF FACTS:

- Chapter 87.03 RCW authorizes the formation of an irrigation district for the purpose of irrigation of land.

- Ordinance 18120, which accepted the filed petition as revised, established boundaries for the proposed district and ordered an election to determine formation of the proposed district and directors for the district if formed.
- Ordinance 18120 set the election for November 24, 2015, to determine formation of the

proposed district and district directors if formed.

5. In accordance with RCW 87.03.040, the council is required on the second Monday after the election to canvass the returns and if two-thirds of the votes cast are in favor of the district, to enter an order declaring the district duly organized.
