

Public Notice

Request for Statements of Qualifications: 2026 SVWID Professional Services List

Pursuant to RCW 39.80.030, in procuring Professional Services, the Snoqualmie Valley Watershed Improvement District (SVWID) invites firms lawfully engaged in the practice of surveying, geotechnical engineering, cultural resources, structural engineering, civil engineering, environmental engineering, construction management, landscape architecture, biological sciences, ecological sciences, and environmental sciences to submit a RFQ packet to apply to be added to the SVWID 2026 Professional Services List.

Interested firms must submit an RFQ packet which includes 1.) **“Application Form - 2026 Professional Services List”**, downloaded from https://svwid.com/firms_vendors_contractors/; 2.) Statement of Qualifications (SOQ) and cover letter (not to exceed 10 pages, front and back). Please indicate in the cover letter, the specialty (or specialties), from the listed practices, or the response will be rejected. RFQ packets must be submitted to the Snoqualmie Valley Watershed Improvement District electronically to: info@svwid.com.

The SOQ will be reviewed and used as the source to select one or more qualified firms for future projects. Selection criteria will include experience of firm including responses from references; experience of principal staff; ability to adhere to a schedule; and location of office where work will be performed.
